MEMO ENDORSED

Re: Pop Top Corp. v. Ectaco, Inc., Case No. 1:21-cv-00590

Dear Judge Cote:

Plaintiff Pop Top Corp. respectfully requests a three-week adjournment of the initial status conference set for this matter next Friday May 7, 2021 at 4:30 p.m. The parties have exchanged preliminary information in an attempt to resolve this matter without the need for Court involvement. Plaintiff believes that a brief adjournment would enable the parties to continue their discussion regarding a potential resolution.

Plaintiff proposed the idea of requesting an adjournment to Defendant, and Defendant consents to this request and does not object.

Defendant has made two previous requests for extensions or adjournment, to which Plaintiff had consented. Defendant requested that its response date be extended and that the initial status conference be extended. The Court granted both requests, extending the response date to April 19, 2021 and the initial status conference to May 7, 2021. (Dkt. No. 15.)

The initial pretrial conference is adjourned to **May 28, 2021 at 1 pm.** There will be no further adjournments.
Dated: May 3, 2021.

Sincerely,

Matthew M. Wawrzyn

DENISE COTE

United States District Judge
